

twenty one DAYS OF PRAYER

Lakeshore Missionaries and Ministry Partners

Care Center Ministries- Dallas, TX

- *Pray for our team as we serve the underserved in our community
- *Pray a hedge of protection as we are on the front lines and in contact with people on a daily basis
- *God continued provision for our ThanksGiving Outreach
- *Revival in our community and in our people.

Morning Star Development:

- *One of our big prayers right now is COVID relief efforts in Afghanistan. In some areas, the lack of work has really hurt many families.
- *Pray for wisdom as we reach out into the most needy communities.
- *Pray for the families as they struggle. We have talked to some families that have "sold" their daughters in order to not starve to death.

Christ for India-Jameson Titus

- *The nation of India for health and the Corona Virus to stop and reopen the country.
- * Prime Minister Modi & all government officials for wisdom, health and receive Christ
- * For all the people who have no food or finances during COVID-19 that God will provide for them and comfort them.
- * For all the believers who are being persecuted, for their safety and peace in their family.
- *For all the church planters and their families, for health, food, and provision from God.
- *For all the young people in seminary, for God's direction and provision for their studies and future ministries.
- *For all the children, for schools to open, families, health & funds for tuition
- *For all the people suffering medically, sickness/disease.

*For all the workers, businesspeople so their business will open and jobs for supporting their families financially.

*For all the church buildings, church land to still be purchased, church buildings still to be constructed, God's provision.

*For the COTR Seminary solar projects, 125k, needed to complete

*Pray for much needed land for egg project and other self-support projects

*The new NTC office and guest house; still to be constructed and the 65,000 needed to complete this project in the state of Kerala.

*We are prayerfully considering ways we might wisely help Lebanon in the aftermath of the devastating port area blast.

*Pray for wisdom and alertness in responding to this need.

*By God's grace, we have been able to continue shipping medical supplies into Syria..

*Pray that God will give us open doors, continued good relationships, and for the Holy Spirit to use every piece of medical supply to promote and advance the gospel among the Syrian people.

*Pray for our orphan and widow food bank in Israel. The high holy days approach us and there are many more people in need of food and supplies in Israel. For all intents and purposes the nation has been almost completely shut down since March. Pray for God to give us all the resources we need to care for the widows and orphans.

Russia-Ilya and Janet Bansteev

*Ilya healing from Covid-19 and has never felt so sick in my life.

*Their daughter, Jessica, is also very sick.

North Vietnam-Jason Morris

*For anointing and open doors as we train Vietnamese workers and preach the gospel.

*For continued protection during this global pandemic.

*For God to provide financially for the central city church and ministry training hub that we have been trying to build in Hanoi.

*For financial provision so that we can continue running the training programs in the 4 locations, 3 in the North and 1 in the South, where we are investing in those who are called.

*For more workers. The harvest is great and ready in Vietnam, but the workers are few.

Christian Ministries in Africa-David and Jennifer Hatley:

*Pray for continued health for CMIA Directors, Deputy Directors, Pastors and Leaders, and for their families.

*Pray CMIA's support base remains steady, and that prayer and support partners remain healthy and well.
