## PARADIGM STUDENT SCHOLARSHIP APPLICATION

Here at Paradigm, our vision is people, and part of our vision is to give teenagers opportunities to experience God whether it is through a camp, a retreat, an event, or even a Wednesday night service. In that, we wouldn't want a lack of funds to stop you from coming to an event that we are hosting or attending. Below is an application/agreement that will help us determine your need, and allows us to be good stewards of our financial resources. It is our belief that a teenager will receive more from an event when it costs them something to participate. For this reason, we will be asking each scholarship recipients to pay some part of their fee, and that all scholarship recipients volunteer their time (as described on the back of this sheet) in assisting Paradigm Youth Ministries with their weekly setup and teardown. Typically, we can provide some form of scholarship for the event, but unfortunately we are limited in the amount of scholarships we can offer. All information is confidential, and we will make every effort to help you out. Please complete this form and turn into a Paradigm Staff Member.

## SCHOLARSHIP INFORMATION

By signing you are indicating that the information provided above is accurate to the best of your knowledge and that you agree to volunteer your time as indicated on the back of this sheet. Failure to complete volunteer requirements will be taken into consideration when evaluating future scholarship requests.

Each student requesting a scholarship will be asked to volunteer as part of the scholarship process. The amount of time each student will be asked to volunteer will be determined taking the total amount of the requested scholarship and dividing it by 10. Students may complete their time by arriving at 5:00 pm on Wed nights to assist with service setup and/or staying after service until 10:00 pm to help tear down. Students may also volunteer to help Lakeshore's Facilities Manager with work around the church Monday-Thursday from 10:00 am to 4:00 pm. Students would need to provide their own lunch during the day, and must schedule day work in advance. All time will be calculated in 30 minute intervals and a partial half hour will be valued as 30 minutes. The following form will be completed by Paradigm Leadership to serve as a log of volunteer time. Students will be asked to check in with Paradigm Leadership upon arrival or at the end of service to receive credit for the time they are here. Failure to complete volunteer time may affect future scholarship request.
